

§ 222.54

only if title to the equipment would be in the applicant agency.

(d) An LEA shall account for the use of section 8003(d) funds as follows:

(1) By recording, for each fiscal year, the receipt (or credit) of section 8003(d) funds separately from other funds received under the Act, *i.e.*, on a line item basis in the general fund account or in a separate account; and

(2) By demonstrating that, for each fiscal year, the amount of expenditures for special education and related services provided to the federally connected children with disabilities is at least equal to the amount of section 8003(d) funds received or credited for that fiscal year. This is done as follows:

(i) For each fiscal year determine the amount of an LEA's expenditures for special education and related services provided to all children with disabilities.

(ii) The amount determined in paragraph (d)(2)(i) of this section is divided by the average daily attendance (ADA) of the total number of children with disabilities the LEA served during that fiscal year.

(iii) The amount determined in paragraph (d)(2)(ii) of this section is then multiplied by the total ADA of the LEA's federally connected children with disabilities claimed by the LEA for that fiscal year.

(3) If the amount of section 8003(d) funds the LEA received (or was credited) for the fiscal year exceeds the amount obtained in paragraph (d)(2)(iii) of this section, an overpayment equal to the excess section 8003(d) funds is established. This overpayment may be reduced or eliminated to the extent that the LEA can demonstrate that the average per pupil expenditure for special education and related services provided to federally connected children with disabilities exceeded its average per pupil expenditure for serving non-federally connected children with disabilities.

§ 222.54 What supplement-not-supplant requirement applies to this subpart?

Funds provided under section 8003(d) may not supplant any State funds that were or would have been available to the LEA for the free appropriate public education of children counted under section 8003(d).

(a) No section 8003(d) funds may be paid to an LEA whose per pupil State aid for federally connected children with disabilities, either general State aid or special education State aid, has been or would be reduced as a result of eligibility for or receipt of section 8003(d) funds, whether or not a State has a program of State aid that meets the requirements of section 8009 of the Act and subpart K of the regulations in this part.

(1) A reduction in the per pupil amount of State aid for children with disabilities, including children counted under section 8003(d), from that received in a previous year raises a presumption that supplanting has occurred.

(2) The LEA may rebut this presumption by demonstrating that the reduction was unrelated to the receipt of section 8003(d) funds.

(b) In any State in which there is only one LEA, all funds for programs for children with disabilities other than funds from Federal sources are considered by the Secretary to be local funds.
