

§ 300.210

Part B of the Act and these regulations with respect to charter schools that are public schools of the LEA, the LEA must—

(i) Serve children with disabilities attending those charter schools in the same manner as the LEA serves children with disabilities in its other schools, including providing supplementary and related services on site at the charter school to the same extent to which the LEA has a policy or practice of providing such services on the site to its other public schools; and

(ii) Provide funds under Part B of the Act to those charter schools—

(A) On the same basis as the LEA provides funds to the LEA's other public schools, including proportional distribution based on relative enrollment of children with disabilities; and

(B) At the same time as the LEA distributes other Federal funds to the LEA's other public schools, consistent with the State's charter school law.

(2) If the public charter school is a school of an LEA that receives funding under § 300.705 and includes other public schools—

(i) The LEA is responsible for ensuring that the requirements of this part are met, unless State law assigns that responsibility to some other entity; and

(ii) The LEA must meet the requirements of paragraph (b)(1) of this section.

(c) *Public charter schools that are LEAs.* If the public charter school is an LEA, consistent with § 300.28, that receives funding under § 300.705, that charter school is responsible for ensuring that the requirements of this part are met, unless State law assigns that responsibility to some other entity.

(d) *Public charter schools that are not an LEA or a school that is part of an LEA.* (1) If the public charter school is not an LEA receiving funding under § 300.705, or a school that is part of an LEA receiving funding under § 300.705, the SEA is responsible for ensuring that the requirements of this part are met.

(2) Paragraph (d)(1) of this section does not preclude a State from assigning initial responsibility for ensuring the requirements of this part are met to another entity. However, the SEA

must maintain the ultimate responsibility for ensuring compliance with this part, consistent with § 300.149.

§ 300.210 Purchase of instructional materials.

(a) *General.* Not later than December 3, 2006, an LEA that chooses to coordinate with the National Instructional Materials Access Center (NIMAC), when purchasing print instructional materials, must acquire those instructional materials in the same manner, and subject to the same conditions as an SEA under § 300.172.

(b) *Rights of LEA.* (1) Nothing in this section shall be construed to require an LEA to coordinate with the NIMAC.

(2) If an LEA chooses not to coordinate with the NIMAC, the LEA must provide an assurance to the SEA that the LEA will provide instructional materials to blind persons or other persons with print disabilities in a timely manner.

(3) Nothing in this section relieves an LEA of its responsibility to ensure that children with disabilities who need instructional materials in accessible formats but are not included under the definition of blind or other persons with print disabilities in § 300.172(e)(1)(i) or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner.
