Recreation Event Application Dates Revised on Missoula District

Missoula, MT. – The Missoula Ranger District has revised the application period for its Recreation Event Special Use Permits. These permits are required for recreation events where a fee is charged to participants. For the 2009 season, the Missoula Ranger District will require permit applications to be submitted between February 1, 2009 and April 1, 2009. After 2009, the open period will be from November 1 to January 1 each year.

Recreation events that charge a fee for participation fall into the category of Recreation Event Special Use and require a permit. Organized running and adventure races that require an entrance fee fall into this category.
