

Mapped, edited, and published by the Geological Survey  
Base by National Oceanic and Atmospheric Administration,  
National Ocean Service. Additional topography and  
enhancements in some locations by Florida Department of  
Environmental Protection, Florida Marine Research Institute.  
Projection and 10 000-meter grid tics:  
Universal Transverse Mercator zone 17  
North American Datum of 1983

Salinity data collected by K. Ludwig and Nancy Dewitt of the U.S. Geological Survey between 3-5 August 1999. Map prepared by Yucong Tao. Salinity is calculated using Unesco algorithms from conductivity and temperature field measurements. Contours are based on interpolation and trends within the data set, developed and smoothed using contouring software. This map has not been reviewed for conformity with U.S. Geological Survey editorial standards.

## FLORIDA BAY SURFACE SALINITIES
