WHAT IS THE IN! PROGRAM?

IN is a different Medicaid option that allows you to work and have affordable health insurance coverage.

IN allows you to earn more money without the risk of losing health insurance coverage.

An opportunity to work in a community of your choice.

The opportunity to enjoy increased independence.

The opportunity to save for big purchases, education and retirement.

ENROLLEES SAY:

“I’ve been enrolled in the IN Program for almost three years. It covers a lot of things my work insurance doesn’t, and it makes my mom happy. She doesn’t worry about my future and neither do I. I count on me!”

“The IN Program lets me make more money and still have the health care I need. I’m proud to be self-sufficient and healthy.”

“I was in a car accident and I’m a quadriplegic now. I’m working and getting a master’s degree. The IN Program pays for the personal care I need to get up and going in the morning. It’s helped me to stay independent and productive.”

THE IN! PROGRAM

The goal of the IN Program is to help Nevadans with disabilities stay independent and productive at work with a health insurance plan that’s affordable, flexible and comprehensive.

IN is a Medicaid Buy-in program. The State of Nevada administers the program.

IN MIGHT BE RIGHT FOR YOU IF:

- You are working, or want to work.
- You have a disability that meets Social Security Administration guidelines.
- You have health insurance at work, but many of your expenses are not covered.
- You are between 16 and 64 years of age.
