

10th Anniversary SNAPSHOT DAY SATURDAY MAY 2nd, 2009 9-3 PM

Join us for the 10th Anniversary of Snapshot Day

Volunteers for this one-day water sampling event head out into the 10 major watersheds that flow to the Monterey Bay National Marine Sanctuary, to collect water samples, conduct field measurements and contribute to valuable water quality information that assesses the health of over 100 bodies of water.

Volunteers are needed from San Mateo County to San Luis Obispo County. This one-day event is a great way to learn about and get involved in water quality, environmental protection, and your local area.

Training is recommended but not required to participate in the event
