FISH AND WILDLIFE SERVICE, Albert M. Day, Director

BIOLOGY OF THE ATLANTIC MACKEREL
(*SCOMBER SCOMBRUS*)
OF NORTH AMERICA

PART II—MIGRATIONS AND HABITS

By Oscar Elton Sette

Fishery Bulletin 49

From Fishery Bulletin of the Fish and Wildlife Service

VOLUME 51

UNITED STATES GOVERNMENT PRINTING OFFICE • WASHINGTON : 1950

For sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C. - Price 45 cents

CONTENTS

	Page
Account of investigations.....	251
Synopsis of results.....	252
Distribution.....	253
Range.....	253
Seasonal changes in distribution.....	254
Winter habitat.....	256
Location.....	256
Probable conditions of existence in the wintertime.....	261
Schooling habits.....	262
Mechanism of schooling.....	262
Advantages of the schooling habit.....	263
Schooling according to size.....	264
Vertical distribution.....	265
Food.....	268
Migration of adult mackerel.....	268
Summary description of migration.....	269
Distinction between northern and southern contingents.....	272
Nature of the two contingents.....	285
Spring migration of the southern contingent.....	288
First appearance.....	288
Vernal advance.....	289
Spring migration of the northern contingent.....	289
First appearance.....	289
Vernal advance.....	290
Temperature conditions during the spring migration.....	292
Relation of feeding conditions to spring advance.....	294
Relation of spawning to spring migration.....	295
Summer sojourn.....	297
Influence of feeding conditions on movements of the mackerel in summertime.....	302
Fall departure.....	305
Evidence on migrations—from tagging experiments.....	307
Distinction between southern and northern contingents.....	307
Migration of the southern contingent.....	308
Migration of the northern contingent.....	309
Summary of tagging evidence.....	311
Migration of young mackerel.....	312
Juvenile mackerel.....	312
Yearling mackerel.....	313
Morphometric evidence.....	314
Appendix A.—Length-frequency records.....	317
Commercial catch.....	317
Sampling the catch.....	317
Measuring the fish.....	318
Summarizing the data.....	318
Data included.....	318
Appendix B.—Marking experiments.....	347
Field experiments.....	347
Experiment No. 1.....	347
Experiment No. 2.....	347
Experiment No. 3.....	348
Experiment No. 4.....	348
Experiment No. 5.....	348
Experiment No. 6.....	348
Experiment No. 7.....	349
Influence of tagging on the mortality of mackerel.....	350
Tests of the suitability of various tags for marking mackerel.....	351
Literature cited.....	357
