

§ 375.44

may be considered by the Department upon a showing of good cause.

(d)(1) Any party in interest may file a memorandum supporting or opposing an application. Two copies of each memorandum shall be filed within 7 business days after the application is filed but no later than the proposed commencement date of the operations. Memoranda will be considered to the extent practicable; the Department may act on an application without waiting for supporting or opposing memoranda to be filed.

(2) Each memorandum shall set forth the reasons why the applications should be granted or denied, accompanied by whatever data, including affidavits, the Department is asked to consider.

(3) A copy of each memorandum shall be served on the applicant.

(e)(1) Unless otherwise ordered by the Department, each application and memorandum filed in response shall be available for public inspection at the Licensing Division of the Office of Aviation Operations immediately upon filing. Notice of the filing of all applications shall be published in the Department's Weekly List of Applications Filed.

(2) Any person objecting to public disclosure of any information in an application or memorandum must state the grounds for the objection in writing. If the Department finds that disclosure of all or part of the information should be withheld under applicable provisions of law, and the public interest does not require disclosure, it will order that the injurious information be withheld.

(Approved by the Office of Management and Budget under control number 2106-0002)

§ 375.44 Issuance of permit.

(a) The Department will issue a foreign aircraft permit if it finds that the proposed operations meet the requirements of this part and are in the public interest. Foreign aircraft permits may be conditioned or limited by the Department. Permits must be carried aboard the applicant's aircraft during flight over U.S. territory, and are not transferable.

(b) In determining whether to grant a particular application, the Department

14 CFR Ch. II (1-1-08 Edition)

will consider, among other factors, the extent to which the country of the applicant's nationality deals with U.S. civil aircraft operators on the basis of substantial reciprocity, and whether the operation is otherwise in the public interest.

§ 375.45 Records and reports of occasional planeload charters.

(a) *Cargo documents.* The holder of a permit for cargo operations shall issue a manifest or shipping document to its shipper with respect to each shipment.

(b) [Reserved]

(c) *Contents of documents for passenger flights.* The holder of a permit for passenger charters originating or terminating in the United States shall require each charterer to file with it prior to flight a list of names and addresses of all passengers to be transported on each flight.

(d) *Reports of unused authority.* All foreign operators of occasional planeload charters for which authority is granted must notify the Department, in writing, not later than 15 days after the expiration of their permits, or their failure to use this authority. The unused authority shall otherwise be deemed to have been exercised.

Subpart F—Transit Flights

§ 375.50 Transit flights; scheduled international air service operations.

(a) *Requirement of notice.* Scheduled international air services proposed to be operated pursuant to the International Air Services Transit Agreement in transit across the United States may not be undertaken by foreign civil aircraft unless the operator of such aircraft, and (if other than the operator) the carrier offering such service to the public, has, not less than 30 days prior to the date of commencement of such service, filed a Notice of Proposed Transit Flights Pursuant to the International Air Services Transit Agreement in accordance with the provisions of paragraphs (b) and (c) of this section.

(b) *Filing of the notice.* An original and two copies of the Notice shall be filed with the Chief, Discrete Operations Branch, Licensing Division, P-
