(3) A *fractional owner or owner* means an individual or entity that possesses a minimum fractional ownership interest in a program aircraft and that has entered into the applicable program agreements; provided, however, that in the case of the flight operations described in paragraph (b)(6)(ii) of this section, and solely for purposes of requirements pertaining to those flight operations, the fractional owner operating the aircraft will be deemed to be a fractional owner in the program managed by the affiliate.

(4) A *fractional ownership interest* means the ownership of an interest or holding of a multi-year leasehold interest and/or a multi-year leasehold interest that is convertible into an ownership interest in a program aircraft.

(5) A *fractional ownership program or program* means any system of aircraft ownership and exchange that consists of all of the following elements:

- (i) The provision for fractional ownership program management services by a single fractional ownership program manager on behalf of the fractional owners.
- (ii) Two or more airworthy aircraft.
- (iii) One or more fractional owners per program aircraft, with at least one program aircraft having more than one owner.
- (iv) Possession of at least a minimum fractional ownership interest in one or more program aircraft by each fractional owner.
- (v) A dry-lease aircraft exchange arrangement among all of the fractional owners.
