

§ 1250.110

14 CFR Ch. V (1–1–08 Edition)

which it is found that the applicant or recipient has failed to comply.

(e) *Approval by administrator.* Any final decision of the NASA Principal Compliance Officer which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or the Act, shall promptly be transmitted to the Administrator, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its non-compliance and satisfies the Principal Compliance Officer that it will fully comply with this part.

(g) *Post termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the Principal Compliance Officer to restore fully the eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the Principal

Compliance Officer determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the Principal Compliance Officer denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the Principal Compliance Officer. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 1250.111 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of NASA which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this Instruction. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof): (1) Executive Orders 10925 and 11246 and regulations or instructions

issued thereunder, or (2) any other regulations or instructions, insofar as such other regulations or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* Each responsible NASA official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part as applied to financial assistance to which this part applies and for which he is responsible.

(c) *Supervision and coordination.* The Administrator may assign to officials of other departments or agencies of the Government, with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of Title VI of the Act and this part (other than responsibility for final decision as provided in §1250.109), including the achievement of effective coordination and maximum uniformity within NASA and within the Executive Branch of the Government in the application of Title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action has been taken by the responsible official of this agency.
