

5 YEARS FREE VA Medical Care

New Combat Veterans

You may be eligible for
FREE MEDICAL CARE from VA
following your
separation from
military service.

Veterans who served in a theater of combat operations or hostilities after November 11, 1998 have no copayment during the five-year period after separating from active duty for hospital care, medical services (to include medications), and nursing home care for **any illness that cannot be clinically ruled out as being related to your combat service.**

- **Currently enrolled combat veterans will have their enhanced enrollment period extended to 5 years from their most recent date of discharge.**
- **Combat veterans who applied for enrollment after January 16, 2003, but were not accepted for enrollment based on the application being outside the previous post-discharge two year window will be automatically reviewed and notified of the enrollment decision.**
- **Combat veterans who never enrolled and were separated from active duty between November 11, 1998 and January 27, 2003 may apply for this enhanced enrollment opportunity through January 27, 2011.**

In addition:

- **If you enroll with VA during these periods you will maintain enrollment status at the end of this period.**
