Subpart C—Individual Access to Records

§ 6.30 Form of requests.

(a) An individual who seeks access to his or her record or to any information pertaining to the individual which is contained in a system of records should notify the system manager at the address indicated in the FEDERAL REGISTER notice describing the pertinent system. The notice should bear the legend "Privacy Act Request" both on the request letter and on the envelope. It will help in the processing of a request if the request letter contains the complete name and identifying number of the system as published in the FEDERAL REGISTER; the full name and address of the subject individual; a brief description of the nature, time, place, and circumstances of the individual's association with FEMA; and any other information which the individual believes would help the system manager to determine whether the information about the individual is included in the system of records. The system manager shall answer or acknowledge the request within 10 workdays of its receipt by FEMA.

(b) The system manager, at his discretion, may accept oral requests for access subject to verification of identity.

§ 6.31 Special requirements for medical records.

(a) A system manager who receives a request from an individual for access to those official medical records which belong to the U.S. Office of Personnel Management and are described in Chapter 339, Federal Personnel Manual (medical records about entrance qualifications or fitness for duty, or medical records which are otherwise filed in the Official Personnel Folder), shall refer the pertinent system of records to a Federal Medical Officer for review and determination in accordance with this section. If no Federal Medical Officer is available to make the determination required by this section, the system manager shall refer the request and the medical reports concerned to the Office of Personnel Management for determination.

(b) If, in the opinion of a Federal Medical Officer, medical records requested by the subject individual indicate a condition about which a prudent physician would hesitate to inform a person suffering from such a condition of its exact nature and probable outcome, the system manager shall not release the medical information to the subject individual nor to any person other than a physician designated in writing by the subject individual, or the guardian or conservator of the individual.

(c) If, in the opinion of a Federal Medical Officer, the medical information does not indicate the presence of any condition which would cause a prudent physician to hesitate to inform a person suffering from such a condition of its exact nature and probable outcome, the system manager shall release it to the subject individual or to any person, firm, or organization which the individual authorizes in writing to receive it.

§ 6.32 Granting access.

(a) Upon receipt of a request for access to non-exempt records, the system manager shall make these records available to the subject individual or

shall acknowledge the request within 10 workdays of its receipt by FEMA. The acknowledgment shall indicate when the system manager will make the records available.

(b) If the system manager anticipates more than a 10 day delay in making a record available, he or she also shall include in the acknowledgment specific reasons for the delay.

(c) If a subject individual's request for access does not contain sufficient information to permit the system manager to locate the records, the system manager shall request additional information from the individual and shall have 10 workdays following receipt of the additional information in which to make the records available or to acknowledge receipt of the request and indicate when the records will be available.

(d) Records will be available for authorized access during normal business hours at the offices where the records are located. A requestor should be prepared to identify himself or herself by signature; i.e., to note by signature the date of access and/or produce other identification verifying the signature.

(e) Upon request, a system manager shall permit an individual to examine the original of a non-exempt record, shall provide the individual with a copy of the record, or both. Fees shall be charged in accordance with subpart F.

A system manager shall not make a record available to a third party for delivery to the subject individual except for medical records as outlined in § 6.31.

(g) An individual who selects another person to review, or to accompany the individual in reviewing or obtaining a copy of the record must, prior to the disclosure, sign a statement authorizing the disclosure of the record. The system manager shall maintain this statement with the record.

(h) The procedure for access to an accounting of disclosure is identical to the procedure for access to a record as set forth in this section.
