ORDER DENYING DEFENDANTS' MOTION TO VACATE JUDGMENT

McMahon, J.:

Defendants seek to vacate the judgment resulting from a trial conducted in 2002 in which a jury found that defendants violated the Fair Housing Act by discriminating against an individual with a hearing impairment.

The parties' familiarity with this action is presumed.

For the reasons set forth in the Government's brief, defendants' motion to vacate judgment is denied.

Dated: February 9, 2009
