

§ 2.172 Surrender for cancellation.

Upon application by the registrant, the Director may permit any registration to be surrendered for cancellation. An application for surrender must be signed by the registrant. When there is more than one class in a registration, one or more entire class(es) but less than the total number of classes may be surrendered. Deletion of less than all of the goods or services in a single class constitutes amendment of registration as to that class (*see* § 2.173).

§ 2.173 Amendment of registration.

(a) A registrant may apply to amend a registration or to disclaim part of the mark in the registration. The registrant must submit a written request specifying the amendment or disclaimer and, if the registration is involved in an inter partes proceeding before the Trademark Trial and Appeal Board, the request must be filed by appropriate motion to the Board. This request must be signed by the registrant and verified or supported by a declaration under § 2.20, and accompanied by the required fee. If the amendment involves a change in the mark, the registrant must submit a new specimen showing the mark as used on or in connection with the goods or services, and a new drawing of the amended mark. The registration as amended must still contain registrable matter, and the mark as amended must be registrable as a whole. An amendment or disclaimer must not materially alter the character of the mark.

(b) No amendment in the identification of goods or services in a registration will be permitted except to restrict the identification or otherwise to change it in ways that would not require republication of the mark. No amendment seeking the elimination of a disclaimer will be permitted.

(c) A printed copy of the amendment or disclaimer shall be attached to each printed copy of the registration.

§ 2.174 Correction of Office mistake.

Whenever a material mistake in a registration, incurred through the fault of the United States Patent and Trademark Office, is clearly disclosed by the records of the Office, a certificate of correction stating the fact and nature of the mistake, signed by the Director or by an employee designated by the Director, shall be issued without charge and recorded. A printed copy of the certificate of correction shall be attached to each printed copy of the registration certificate. Thereafter, the corrected certificate shall have the same effect as if it had been originally issued in the corrected form. In the discretion of the Director, the Office may issue a new certificate of registration without charge.

(i) Specification of the mistake for which correction is sought;

(ii) Description of the manner in which it arose; and
