

§ 608.824

12 CFR Ch. VI (1-1-08 Edition)

of the indebtedness, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or

(2) The debtor requests reconsideration of the debt and the FCA determines that the question of the indebtedness cannot be resolved by reviewing the documentary evidence; for example, when the validity of the debt turns on an issue of credibility or veracity.

(e) A debtor waives the right to a hearing and will have his or her debt offset in accordance with the proposed offset schedule if the debtor:

(1) Fails to file a written request for review within the timeframe set forth in paragraph (b) of this section, unless the FCA determines that the delay was the result of circumstances beyond his or her control; or

(2) Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that the failure to appear was due to circumstances beyond the employee's control.

(f) Upon completion of its review of the claim, the FCA shall notify the debtor whether the FCA's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official, pursuant to §608.810(e). If the FCA's determination is sustained, this notification shall contain a provision which states that the FCA intends to collect the debt by offset or by requesting other Federal agencies for assistance in collecting the debt.

(g) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the FCA is not required to duplicate those requirements before effecting offset.

§ 608.824 Waiver of procedural requirements.

(a) The FCA may impose offset against a payment to be made to a debtor prior to the completion of the procedures required by this part, if:

(1) Failure to impose the offset would substantially prejudice the Government's ability to collect the debt; and

(2) The timing of the payment against which the offset will be imposed does not reasonably permit the completion of those procedures.

(b) The procedures required by this part shall be complied with promptly after the offset is imposed. Amounts recovered by offset, which are later found not to be owed to the Government, shall be promptly refunded to the debtor.

§ 608.825 Coordinating offset with other Federal agencies.

(a)(1) Any creditor agency which requests the FCA to impose an offset against amounts owed to the debtor shall submit to the FCA a claim certification which meets the requirements of this paragraph. The FCA shall submit the same certification to any agency that the FCA requests to effect an offset.

(2) The claim certification shall be in writing. It shall certify the debtor owes the debt and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. If the intended offset is to be a salary offset, a claim certification shall instead certify that the debtor owes the debt and that the applicable requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.

(3) A certification that the debtor owes the debt shall state the amount of the debt, the factual basis supporting the determination of indebtedness, and the date on which payment of the debt was due. A certification that the requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met shall include a statement that the debtor has been sent a notice of Intent to Collect by Administrative Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent. A certification that the requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Salary Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent.
