

a national bank participating in the offering. A national bank shall not effect or enter into a contract for the purchase or sale of the securities that provides for payment of funds and delivery of securities later than the fourth business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(d) For purposes of paragraphs (a) and (c) of this section, the parties to a contract are deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities pursuant to a firm commitment offering if the managing underwriter and the issuer have agreed to the date for all securities sold pursuant to the offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.

INTERPRETATIONS

§ 12.101 National bank disclosure of remuneration for mutual fund transactions.

A national bank may fulfill its obligation to disclose information on the source and amount of remuneration, required by §12.4, for mutual fund transactions by providing this information to the customer in a current prospectus, at or before completion of the securities transaction. The OCC's view is consistent with the position of the Securities and Exchange Commission (SEC) as provided in a no-action letter dated March 19, 1979, which permits confirmations for mutual funds to refer to the sales load disclosed in the prospectus. See Letter to the Investment Company Institute, *reprinted in* [1979 Transfer Binder] Fed. Sec. L. Rep. (CCH) 82041 (Mar. 19, 1979). The OCC would reconsider its position upon any change in the SEC's practice.

§ 12.102 National bank use of electronic communications as customer notifications.

(a) In appropriate situations, a national bank may satisfy the "written" notification requirement under §§12.4 and 12.5 through electronic commu-

nications. Where a customer has a facsimile machine, a national bank may fulfill its notification delivery requirement by sending the notification by facsimile transmission. Similarly, a bank may satisfy the notification delivery requirement by other electronic communications when:

- (1) The parties agree to use electronic instead of hard-copy notifications;
- (2) The parties have the ability to print or download the notification;
- (3) The recipient affirms or rejects the trade through electronic notification;
- (4) The system cannot automatically delete the electronic notification; and
- (5) Both parties have the capacity to receive electronic messages.

(b) The OCC would consider the permissibility of other situations using electronic notifications on a case-by-case basis.
