### Subpart A—Capital Categories

#### § 6.1 Authority, purpose, scope, and other supervisory authority.

(a) *Authority.* This part is issued by the Office of the Comptroller of the Currency (OCC) pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act) as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized. The principal purpose of this subpart is to define, for insured national banks, the capital measures and capital levels, and for insured federal

branches, comparable asset-based measures and levels, that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This part 6 also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This subpart implements the provisions of section 38 of the FDI Act as they apply to insured national banks and insured federal branches. Certain of these provisions also apply to officers, directors and employees of these insured institutions. Other provisions apply to any company that controls an insured national bank or insured federal branch and to the affiliates of an insured national bank or insured federal branch.

(d) *Other supervisory authority.* Neither section 38 nor this part in any way limits the authority of the OCC under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this part may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the OCC, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of an insured national bank or insured federal branch under this subpart within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the OCC or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the OCC or any other federal banking agency has assigned the bank to a particular capital category.

#### § 6.2 Definitions.

For purposes of section 38 and this part, the definitions related to capital in part 3 of this chapter shall apply. In addition, except as modified in this
