An adequately capitalized bank that has been required pursuant to §6.4 and subpart M of part 19 of this chapter to comply with supervisory actions as if the bank were undercapitalized is not required to submit a capital restoration plan solely by virtue of the reclassification.

(2) *Additional capital restoration plans.* Notwithstanding paragraph (a)(1) of this section, a bank that has already submitted and is operating under a capital restoration plan approved under section 38 and this subpart is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under §6.4 and subpart M of part 19 of this chapter unless the OCC notifies the bank that it must submit a new or revised capital plan. A bank that is notified that it must submit a new or revised capital restoration plan shall file the plan in writing with the OCC within 45 days of receiving such notice, unless the OCC notifies the bank in writing that the plan must be filed within a different period.
