§ 1610.32

paragraph (b) of this section, the Commission shall afford the submitter a minimum of five working days to provide it with a detailed statement of objections to disclosure. Such statement shall provide precise identification of the exempted information, and the basis for claiming it as a trade secret or as confidential information pursuant to 5 U.S.C. 552(b)(4), the disclosure of which is likely to cause substantial harm to the submitter's competitive position.

(e) *Notice of intent to disclose.* (1) The Commission shall consider carefully the objections of a submitter provided pursuant to paragraph (d) of this section. When the Commission decides to disclose information despite such objections, it shall provide the submitter with a written statement briefly explaining why the objections were not sustained. Such statement shall be provided a minimum of three working days prior to the specified disclosure date, in order that the submitter may seek a court injunction to prevent release of the records if it so chooses.

(2) When a submitter is notified pursuant to paragraph (e)(1) of this section, notice of the Commission's final disclosure determination and proposed release date shall also be provided to the requester.

(f) *Notice of lawsuit.* Whenever a requester brings suit seeking to compel disclosure of confidential commercial information, the Commission shall promptly notify the submitter of the legal action.

(g) *Exceptions to the notice requirement.* The notice requirements of this section shall not apply if:

(1) The Commission determines that the information shall not be disclosed;

(2) The information is published or otherwise officially available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).
