

§ 1320.13

5 CFR Ch. III (1–1–05 Edition)

persons are not required to respond to the collection of information unless it displays a currently valid OMB control number, does not, as a legal matter, rescind or amend the rule; however, such absence will alert the public that either the agency has failed to comply with applicable legal requirements for the collection of information or the collection of information has been disapproved, and that therefore the portion of the rule containing the collection of information has no legal force and effect and the public protection provisions of 44 U.S.C. 3512 apply.

(i) Prior to the expiration of OMB's approval of a collection of information in a current rule, OMB may decide on its own initiative, after consultation with the agency, to review the collection of information. Such decisions will be made only when relevant circumstances have changed or the burden estimates provided by the agency at the time of initial submission were materially in error. Upon notification by OMB of its decision to review the collection of information, the agency shall submit it to OMB for review under this Part.

§ 1320.13 Emergency processing.

An agency head or the Senior Official, or their designee, may request OMB to authorize emergency processing of submissions of collections of information.

(a) Any such request shall be accompanied by a written determination that:

(1) The collection of information:

(i) Is needed prior to the expiration of time periods established under this Part; and

(ii) Is essential to the mission of the agency; and

(2) The agency cannot reasonably comply with the normal clearance procedures under this part because:

(i) Public harm is reasonably likely to result if normal clearance procedures are followed;

(ii) An unanticipated event has occurred; or

(iii) The use of normal clearance procedures is reasonably likely to prevent or disrupt the collection of information or is reasonably likely to cause a stat-

utory or court ordered deadline to be missed.

(b) The agency shall state the time period within which OMB should approve or disapprove the collection of information.

(c) The agency shall submit information indicating that it has taken all practicable steps to consult with interested agencies and members of the public in order to minimize the burden of the collection of information.

(d) The agency shall set forth in the FEDERAL REGISTER notice prescribed by § 1320.5(a)(1)(iv), unless waived or modified under this section, a statement that it is requesting emergency processing, and the time period stated under paragraph (b) of this section.

(e) OMB shall approve or disapprove each such submission within the time period stated under paragraph (b) of this section, provided that such time period is consistent with the purposes of this Act.

(f) If OMB approves the collection of information, it shall assign a control number valid for a maximum of 90 days after receipt of the agency submission.

§ 1320.14 Public access.

(a) In order to enable the public to participate in and provide comments during the clearance process, OMB will ordinarily make its paperwork docket files available for public inspection during normal business hours. Notwithstanding other provisions of this Part, and to the extent permitted by law, requirements to publish public notices or to provide materials to the public may be modified or waived by the Director to the extent that such public participation in the approval process would defeat the purpose of the collection of information; jeopardize the confidentiality of proprietary, trade secret, or other confidential information; violate State or Federal law; or substantially interfere with an agency's ability to perform its statutory obligations.

(b) Agencies shall provide copies of the material submitted to OMB for review promptly upon request by any person.

(c) Any person may request OMB to review any collection of information
