newly elected coverage can become effective, unless OPM announces otherwise. For the purpose of this paragraph, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the most recent calendar year quarter prior to the start of the open enrollment period.

(d) Within 6 months after an open enrollment period ends, an employing office may determine that an employee was unable, for reasons beyond his/her control, to cancel an existing waiver by electing to be insured during the open enrollment period. In this case, if the employee wants coverage, he/she must submit an election within 31 days after being notified of the determination. Coverage is retroactive to the first pay period which begins on or after the effective date set by OPM and which follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise. If the employee doesn't file an election within this 31-day time limit, he/she will be considered to have waived coverage.

§ 870.508 Nonpay status.

(a) An employee who is in nonpay status is entitled to continue life insurance for up to 12 months. No premium payments are required, unless the employee is receiving compensation.

(b) If an insured employee who is entitled to free insurance while in nonpay status accepts a temporary appointment to a position in which he/she would normally be excluded from insurance, the insurance continues. The amount of Basic insurance is based on whichever position's salary is higher. Withholdings are made from the employee's pay in the temporary position.

(c) If an insured employee goes on leave without pay (LWOP) to serve as a full-time officer or employee of an employee organization, within 60 days of the start of the LWOP he/she may elect to continue life insurance. The insurance continues for the length of the appointment, even if the LWOP lasts longer than 12 months. The employee must pay to the employing office the full cost of Basic and Optional insurance. There is no Government contribution for these employees.

5 CFR Ch. I (1–1–05 Edition)

(d) If an insured employee goes on LWOP while assigned to a State government, local government, or institution of higher education, life insurance continues for the length of the assignment, even if the LWOP lasts longer than 12 months. The employee must pay his/her premiums to the Federal agency on a current basis. The agency must continue to pay its contribution as long as the employee makes his/her payments.

§ 870.509 Transfers to international organizations.

An employee transferred to an international organization may continue life insurance coverage as provided in 5 U.S.C. 3582. Regulations governing these transfers are in part 352 of this title.
