

or both for that calendar year. Each year as early as possible, OPM will send a form to annuitants to use in reporting their income from the previous calendar year. The form specifies the date by which OPM must receive the report. OPM will determine entitlement to continued annuity on the basis of the report. If an annuitant fails to submit the report, OPM may stop annuity payments until it receives the report.

§ 844.403 Annuity rights after a disability annuity terminates.

(a) When a disability annuity is terminated because of recovery or restoration of earning capacity and the individual is not employed in the Government, the individual is entitled to an annuity:

(ii) Has 25 or more years of service at the time of retiring for disability, regardless of age; or

(2) Under 5 U.S.C. 8412(g) if the individual is at least the minimum retirement age applicable under 5 U.S.C. 8412(h) when the disability annuity ceases and had 10 or more years of service at the time of retiring for disability.

§ 844.404 Reinstatement of disability annuity.

(a) When a disability annuity stops, the individual must again prove that he or she meets the eligibility requirements in order to have the annuity reinstated.

(b) *Reinstatement of annuity terminated based on recovery.* (1) When a recovered disability annuitant under age 62 whose annuity was terminated because

he or she was found recovered on the basis of medical evidence (§844.401) is not reemployed in a position subject to FERS, and, based on the results of a current medical examination, OPM finds that the disability has recurred, OPM will reinstate the disability annuity as provided in paragraph (d) of this section. The right to the reinstated annuity begins on the date of the medical documentation showing that the disability has recurred, or if the medical documentation clearly shows that the disability recurred on an earlier date, the annuity will be reinstated on that earlier date.

(2) Except in the case of an individual receiving an annuity under §844.404(b), OPM will, as provided in paragraph (d) of this section, reinstate the disability annuity of a former annuitant whose annuity was terminated because he or she was found recovered on the basis of Federal reemployment when:

(i) The results of a current medical examination show that the individual's medical condition has worsened since the finding of recovery and that the original disability on which retirement was based has recurred; and

(ii) As a result, he or she has been:

(A) Separated and not reemployed in a position subject to FERS; or

(B) Placed in a position that results in a reduction in grade or pay below that from which the individual retired, or in a change to a temporary or intermittent appointment. The right to the reinstated annuity begins on the date the reemployment ends or the effective date of the placement in the position that results in a reduction in grade or pay or change in appointment.

(c) *Reinstatement of annuity terminated because earning capacity was restored.* (1) OPM will reinstate the disability annuity as provided in paragraph (d) of this section when a disability annuitant whose annuity was terminated under §844.402(a):

(i) Is not reemployed in a position subject to FERS;

(ii) Has not recovered from the disability for which the individual retired (except in the case of a military reserve technician whose annuity was awarded under 5 U.S.C. 8456); and

(iii) Again loses earning capacity, as determined by OPM.
