§0.460 Requests for inspection of records which are routinely available for public inspection.

(a) Sections 0.453 and 0.455 list those Commission records which are routinely available for public inspection and the places at which those records may be inspected. Subject to the limitations set out in this section and to the provisions of §0.466 and paragraph (l) of this section, a person who wants to inspect such records need only appear at the specified location and ask to see the records. Many such records also are available through the Commission's site on the World Wide Web, located at <http://www.fcc.gov>. Commission documents listed in §0.416 are published in the FCC Record, and many such documents or summaries thereof are also published in the FEDERAL REGISTER.

(b) A person who does not want a copy of the records must appear at the specified location during the office hours of the Commission and must inspect the records at that location. (Procedures governing requests for copies are set out in §0.465.) However, arrangements may be made in advance, by telephone or by correspondence, to make the records available for inspection on a particular date, and there are many circumstances in which such advance arrangements will save inconvenience. If the request is for a large number of documents, for example, a delay in collecting them is predictable. Current records may be in use by the staff when the request is made. Older records may have been forwarded to another location for storage.

(c) The records in question must be reasonably described by the person requesting them so as to permit their location by staff personnel. The information needed to locate the records will vary, depending on the records requested. Advice concerning the kind of

information needed to locate particular records will be furnished in advance upon request. Members of the public will not be given access to the area in which records are kept and will not be permitted to search the files.

(d) If it appears that there will be an appreciable delay in locating or producing the records (as where a large number of documents is the subject of a single request or where an extended search for a document appears to be necessary), the request shall be submitted in writing, either in person or by mail.

(e) Written requests shall be captioned "REQUEST FOR INSPECTION OF RECORDS", shall be dated, shall list the telephone number (if any) of the person making the request and for each document requested, shall set out all information known to the person making the request which would be helpful in identifying and locating the document. Written requests shall, in addition, specify the maximum search fee the person making the request is prepared to pay. (see §0.467)

(f) Written requests shall be delivered or mailed directly to the chief of the organizational unit having custody of the records, as listed in §§0.453 and 0.455. If the request is enclosed in an envelope, the envelope shall be marked, "REQUEST FOR INSPECTION OF RECORDS."

(g) When a written request is received by the custodian of the records, it will be date-stamped.

(h) All requests limited to records listed in §§0.453 and 0.455 will be granted, subject to paragraph (k) of this section. Requests for records listed in those sections shall not be combined with requests for other records.

(i) The records will be produced for inspection at the earliest possible time.

(j) Records shall be inspected within 7 days after notice is given that they have been located and are available for inspection. After that period, they will be returned to storage and additional charges may be imposed for again producing them.

(k) In addition to the other requirements of this section, the following provisions apply to the reports filed

§0.461

with the Commission pursuant to subpart E of part 19 of this chapter. (1) Such reports shall not be obtained or used:

(i) For any unlawful purpose; (ii) for any commercial purpose, other than by news and communications media for dissemination to the general public; (iii) for determining or establishing the credit rating of any individual; or (iv) for use, directly or indirectly, in the solicitation of money for any political, charitable, or other purpose.

(2) Such reports may not be made available to any person nor may any copy thereof be provided to any person except upon a written application by such person stating: (i) That person's name, occupation and address; (ii) the name and address of any other person or organization on whose behalf the inspection or copying is requested; and (iii) that such person is aware of the prohibitions on the obtaining or use of the report. Further, any such application for inspection shall be made available to the public throughout the period during which the report itself is made available to the public.

§0.461 Requests for inspection of materials not routinely available for public inspection.

Any person desiring to inspect Commission records which are not listed in §0.453 or §0.455 shall file a request for inspection meeting the requirements of this section.

(a)(1) The records in question must be reasonably described by the person requesting them, so as to permit their location by staff personnel. See §0.460(c).

(2) The person requesting records under this section may specify the form or format of the records to be produced.

(b)(1) Requests shall be captioned "Freedom of Information Act Request," shall be dated, shall list the telephone number (if any) of the person making the request and, for each document requested, shall set out all infor-

mation known to the person making the request which would be helpful in identifying and locating the document.

(2) The request shall, in addition, specify the maximum search fee the person making the request is prepared to pay (see §0.467).

(c) If the records are of the kinds listed in §0.457 or if they have been withheld from inspection under §0.459, the request shall, in addition, contain a statement of the reasons for inspection and the facts in support thereof. In the case of other materials, no such statement need accompany the request; but the custodian of the records may require the submission of such a statement if he determines that the materials in question may lawfully be withheld from inspection.

(d)(1) Requests shall be delivered or mailed to the Managing Director, sent by electronic mail to *foia@fcc.gov*, or sent by facsimile. (For purposes of this section, the custodian of the records is the Chief of the appropriate Bureau or Office.)

(2) If the request is enclosed in an envelope, the envelope shall be marked, "Freedom of Information Act Request."

(3) An original and two copies of the request shall be submitted. If the request is for materials not open to routine public inspection under §0.457(d) or §0.459, or if a request for confidentiality is pending pursuant to §0.459, one copy of the request will be mailed by the custodian of the records to the person who originally submitted the materials to the Commission.

(e) When the request is received by the Managing Director, it will be assigned to the Freedom of Information Act (FOIA) Control Office, where it will be date-stamped and assigned to the custodian of the records.

(f) Requests for inspection of records will be acted on as follows by the custodian of the records.

(1) If the Commission is prohibited from disclosing the records in question, the request for inspection will be denied with a statement setting forth the specific grounds for denial.

(2) If the records are the property of another agency, the request will be referred to that agency and the person
