should review and comply with any employee or labor organization notice requirements in applicable negotiated agreements.

807.304-77 Right of first refusal.

(a) In addition to the Right of First Refusal clause specified in FAR 52.207-3, the contracting officer will include the clause "Report of Employment Under Commercial Activities" in 852.207-70. This clause is primarily intended to verify that the contractor is meeting its obligation to provide adversely affected Federal workers the first opportunity for employment openings, for which they qualify, created by the contract.

(b) The Report of Employment Under Commercial Activities clause is also prescribed to avoid inappropriate severance payment. In order to implement the clause, the contracting officer (or Contracting Officer's Technical Representative (COTR)) must first obtain a list from the servicing personnel office of Federal employees, including their Social Security numbers, who will be adversely affected as a result of the anticipated contract. The list should be requested as soon as a preliminary determination is made to contract out a function subject to A-76. (Contracting officers may designate a COTR to coordinate the information and reporting requirements.)
