871.201-1

871.104 Qualification of bidders.

(a) Qualification of bidders shall be established in accordance with procedures outlined in FAR Subpart 9.1 and subpart 809.1 of this chapter.

(b) Management brokers are not considered acceptable bidders for repair contracts due to their close association on a fee basis with the Department of Veterans Affairs. This restriction would apply equally to any contracting firm in which the management broker has an interest and in which it could be presumed that such firm would have an advantage over the other bidders. This does not preclude the performance of work by management brokers of a routine recurring maintenance category or minor repairs by personnel employed directly on the payroll of the broker. In these cases, it must be established that any charges for such services are not in excess of the prevailing fees for like services in the area.

871.106 Lien waivers.

(a) Contracts in the amount of \$2,500 or more will contain a requirement that the contractor will sign a formal release in full or a lien waiver before payment may be made. The release or waiver will accompany the contractor's invoice.

(b) Contractors will be required to notify the Director, Regional Office, of any subcontractors for services or materials in excess of \$2,500. Such subcontractors will be required to sign the release or waiver jointly with the prime contractor or to execute release or waiver in the subcontractor's own name.

(c) Prior to any authorized partial payment the contractor will be required to execute a release or waiver.

(d) Due to the variations of local law, no standard release or waiver is prescribed. Each release or waiver will be prepared in accordance with local law and will be in form acceptable by the District Counsel.

(b) Contracts in the amount of \$2,500 or more where there is doubt as to the final responsibility of the contractor will provide maximum protection to the Government by including such requirements as are available under local law.
