If bid samples are required, the solicitation shall include the provision set forth at FAR 52.214-20, Bid Samples. The bidder must still furnish all descriptive literature in accordance with and for the purpose set forth in the "Brand Name or Equal" clause, 852.211-77(c)(1) and (2), even though bid samples may not be required.

811.104-71 Bid evaluation and award.

(a) Bids offering products that differ from brand name products referenced in a "brand name or equal" purchase description shall be considered for award when the contracting officer determines in accordance with the terms of the clause at 852.211-77 that the offered products are clearly identified in the bids and are equal in all material respects to the products specified.

(b) Award documents shall identify, or incorporate by reference, an identification of the specific products which the contractor is to furnish. Such identification shall include any brand name and make or model number, descriptive material, and any modifications of brand name products specified in the bid. Included in this requirement are those instances when the descriptions of the end items contain "brand name or equal" purchase descriptions of component parts or of accessories related to the end item, and the clause at 852.211-77 was applicable to such component parts or accessories (see 811.104-70(d)(2)).

(a) The policies and procedures prescribed in 811.104-70 and 811.104-71 should be used as a guide in developing adequate purchase descriptions for negotiated procurements.

(b) The clause at 852.211-77 may be adapted for use in negotiated procurements. If use of the clause is not practicable (as may be the case in unusual and compelling urgency purchases), suppliers shall be suitably informed that proposals offering products different from the products referenced by brand name will be considered if the contracting officer determines that

Subpart 811.2—Using and Maintaining Requirements Documents

811.202 Maintenance of standardization documents.

(a) *Military and departmental specifications.* Contracting officers may, when they deem it to be advantageous to the Department of Veterans Affairs, utilize these specifications when procuring supplies and equipment costing less than the simplified acquisition threshold. However, when purchasing items of perishable subsistence, contracting officers shall observe only those exemptions set forth in paragraphs (b)(2) and (b)(3) of this section.

(b) *Nutrition and Food Service specifications.* (1) The Department of Veterans Affairs has adopted for use in the procurement of packinghouse products, the purchase descriptions and specifications set forth in the Institutional Meat Purchase Specifications (IMPS), and the IMPS General Requirements, which have been developed by the U.S. Department of Agriculture. Purchase descriptions and specifications for dairy products, poultry, eggs, fresh and frozen fruits and vegetables, as well as certain packinghouse products selected from the IMPS especially for Department of Veterans Affairs use, are contained in Part IV of the Federal Supply Catalog, Stock List, FSC Group 89, Subsistence, Publication No. C8900-SL. A copy of Part IV of this catalog and the IMPS may be obtained from any Department of Veterans Affairs contracting officer.

(2) The military specifications for meat and meat products contained in Part IV of the Federal Supply Catalog, Stock List, FSC Group 89, Subsistence, shall be used by the Department of Veterans Affairs only when purchasing such items of subsistence from the Defense Logistics Agency (DLA). Military specifications for poultry, eggs, and egg products contained in Part IV of the Federal Supply Catalog, Stock List, FSC Group 89, Subsistence, may be used when purchasing either from DLA or from local dealers.

(3) Except as authorized in part 846 of this chapter, contracting officers shall not deviate from the specifications contained in Part IV of the Federal Supply Catalog, Stock List, FSC Group 89, Subsistence, and the IMPS without prior approval of the Deputy Assistant Secretary for Acquisition and Materiel Management.

(4) Items of meat, cured pork and poultry not listed in either Part IV of the Federal Supply Catalog, Stock List, FSC Group 89, Subsistence, or the IMPS, will not be purchased without prior approval of the Deputy Assistant Secretary for Acquisition and Materiel Management.

(c) *Department of Veterans Affairs specifications.* (1) The Director, Publications Service, is responsible for developing, publishing, and distributing Department of Veterans Affairs specifications covering printing and binding.

(2) Department of Veterans Affairs specifications, as they are revised, are placed in stock in the VA Forms and Publications Depot. Facility requirements for these specifications will be requisitioned from that source.

(d) *Government paper specification standards.* (1) Invitations for bids, requests for proposals, purchase orders, or other procurement instruments covering the purchase of paper stocks to be used in duplicating or printing, or which specify the paper stocks to be used in buying printing, binding, or duplicating, will require that such paper stocks be in accordance with the Government Paper Specification Standards issued by the Joint Committee on Printing of Congress.

(2) All binding or rebinding of books, magazines, pamphlets, newspapers, slip cases and boxes will be procured in accordance with Government Printing Office (GPO) specifications and will be procured from the servicing GPO Regional Printing Procurement Office or, when appropriate, from commercial sources.

(3) There are three types of binding/rebinding: Class A (hard cover); Perfect (glued); and Lumbinding (sewn). The most suitable type of binding will be procured to satisfy the requirements, based upon the intended use of the bound material.

Subpart 811.4—Delivery or Performance Schedules

811.404 Contract clauses.

When delivery is required by or on a particular date, the time of delivery clause set forth in FAR 52.211-8 as it relates to f.o.b. destination contracts will state that the delivery date specified is the date by which the shipment is to be delivered, not the shipping date. In f.o.b. origin contracts, the clause will state that the date specified is the date shipment is to be accepted by the carrier.

Subpart 811.5—Liquidated Damages

811.502 Policy.

Liquidated damages provisions will not be routinely included in supply or construction contracts, regardless of dollar amount. The decision to include liquidated damages provisions will conform to the criteria in FAR 11.502. In making this decision, consideration will be given to whether the necessity for timely delivery or performance as required in the contract schedule is so critical that a probable increase in contract price is justified. Liquidated damages provisions will not be included as insurance against selection of a non-responsible bidder, as a substitute for efficient contract administration, or as a penalty for failure to perform on time.
