

Q, and R do not constitute a limited affiliated group because they are members of an affiliated group comprising P, Q, R, and S, two of whose members, R and S, are affiliated by reason of interlocking governing boards.

Example (6). T, U, V, and W are electing organizations. The governing instruments of U and V require them to adopt the positions on national legislative issues adopted by T, but do not require them to adopt the positions of any organization on any other legislative issues. The governing documents of W require it to adopt the positions of V on all legislative issues. Applying paragraph (b) of this section, it is determined that (1) T, U, V, and W are all members of an affiliated group; (2) no two of T, U, V, and W are affiliated by reason of interlocking governing boards; but (3) W is bound, under its governing instrument, by decisions of V on legislative issues that are not national legislative issues. Accordingly, T, U, V, and W do not constitute a limited affiliated group. Similarly, T, U, and V do not constitute a limited affiliated group. T, U, V, and W are an affiliated group under § 56.4911-7.

§ 56.6001-1 Notice or regulations requiring records, statements, and special returns.

Every organization liable for the tax imposed by section 4911(a) shall file an annual return with respect to the tax on the form prescribed by the Internal Revenue Service for that purpose and shall include the information required by the form and its instructions.
