the date extended term insurance becomes effective. Extended term insurance under this provision shall not have a cash or loan value. This paragraph shall be effective from and after August 2, 1948.

(c) Upon default in payment of a premium within the grace period, if a modified life plan of National Service Life Insurance has not been surrendered for cash or paid-up insurance and if the policy has been in force by payment or waiver of premiums for not less than 3 months, or for not less than 1 year for insurance issued under 38 U.S.C. 1925, the policy shall be extended automatically as of insurance equal to (1) the Initial Face Amount of Insurance (face amount of policy in force prior to insured's 65th birthday) less any indebtedness, for lapses which occur prior to the insured's 65th birthday, or (2) the Ultimate Face Amount of Insurance (face amount of policy in force on or after insured's 65th birthday) less any indebtedness, for lapses which occur on or after the insured's 65th birthday. The extended term insurance shall be for an amount of insurance equal to:

(i) The initial face amount of insurance (face amount of policy in force prior to the insured's 65th or 70th birthday, depending on the plan of insurance), less any indebtedness, for lapses which occur prior to the insured's 65th or 70th birthday, depending on the plan of insurance, or

(ii) The ultimate face amount of insurance (face amount of policy in force on or after insured's 65th or 70th birthday, depending on the plan of insurance) less any indebtedness, for lapses which occur on or after the insured's 65th or 70th birthday, depending on the plan of insurance. If a modified life plan policy is on extended term insurance at the end of the day preceding the insured's 65th or 70th birthday, depending on the plan of insurance, the amount of extended term insurance in effect under such policy shall be automatically reduced by one-half thereof. If the policy lapsed prior to the end of the first policy year, the extended term insurance shall not have a cash or loan value. If the policy lapsed after the first policy year, the extended term in-

surance shall not have a loan value, but shall have a cash value.

§ 8.15 Provision for paid-up insurance; other than 5-year level premium term or limited convertible 5-year level premium term policies.

If a National Service Life Insurance policy on any plan other than 5-year level premium term or limited convertible 5-year level premium term plan has not been surrendered for cash, upon written request of the insured and complete surrender of the insurance with all claims thereunder, after the expiration of the first policy year and while the policy is in force under premium-paying conditions, the United States will issue paid-up insurance for such amount as the cash value less any indebtedness, and a charge for administrative cost for insurance issued under 38 U.S.C. 1925, will purchase when applied as a net single premium at the attained age of the insured. For this purpose the attained age is the age on the birthday anniversary nearest to the effective date of the policy plus the number of years and months from that date to the date the paid-up insurance becomes effective. Such paid-up insurance will be effective as of the expiration of the period for which premiums have been paid and earned; and, any premiums paid in advance for months subsequent to that in which the application for paid-up insurance is made shall be refunded to the insured. The paid-up insurance, if eligible to participate in and to receive dividends, shall be with the right to dividends. The insured may at any time surrender the paid-up policy for its cash value or obtain a loan on such paid-up insurance.

CHANGE IN PLAN

§ 8.16 Conversion of a 5-year level premium term policy as provided for under § 1904 of title 38 U.S.C.

National Service Life Insurance on the level premium term plan which is in force may be exchanged for a permanent plan policy upon written application by the insured and the payment of the current monthly premium at the attained age for the plan of insurance selected (except where premium waiver under 38 U.S.C. 1912 is effective). The reserve (if any) on the policy will be allowed as a credit on the current monthly premium except where premium waiver is effective. Conversion to an endowment plan may not be made while the insured is totally disabled. The conversion will be made without medical examination, except when deemed necessary to determine whether an applicant for conversion to an endowment plan is totally disabled, and upon complete surrender of the term insurance while in force by payment or waiver of premium.

PREMIUM WAIVERS AND TOTAL
DISABILITY**§ 8.17 Discontinuance of premium waiver.**

(a) The Secretary may require proof of continuance of total disability at any time the Secretary may deem same necessary. In the event it is found that an insured is no longer totally disabled, the waiver of premiums shall cease as of the date of such finding, and the insurance may be continued by payment of premiums, the due date of the first premium payable being the next regular monthly due date of the premium under the policy. The insurance shall not lapse prior to the date of expiration of the grace period allowed for the payment of such premium or prior to the expiration of 31 days after date of notice to the insured of the termination of the premium waiver, whichever is the later date. Such notice shall be sent by registered mail or by certified mail and sufficient notice will be deemed to have been given

when such letter has been placed in the mails by the Department of Veterans Affairs: *Provided*, That the Secretary may grant an additional period of not more than 31 days for payment of the premiums in any case in which it is shown that the failure to make payment within 31 days after notice as defined in this paragraph was due to circumstances beyond the insured's control; but the premiums in any such case must be paid during the lifetime of the insured. The failure of the insured to furnish a correct current address at which mail will reach him or her promptly shall not be grounds for a further extension of time for payment of premiums under this section.

(b) In the event a finding that insured is no longer totally disabled is made at the same time a finding is made of total disability entitling the insured to a waiver of premiums while so disabled, the waiver of premiums shall cease as of the date on which total disability ceased and continuance of the insurance in such cases shall be subject to the timely payment of the premiums as they become or have become due and payable. The due date of the first premium payable subsequent to the date total disability ceased is the next regular due date of the premium under the policy, and if such premium was not paid within 31 days after the due date, the insurance lapsed.

(c) If the insured shall fail to cooperate with the Secretary in securing any evidence he may require to determine whether total disability has continued, the premium waiver shall cease effective as of the date finding is made of such failure to cooperate, and the insurance may be continued by payment of the premiums within 31 days after notice of termination as provided in paragraph (a) of this section.
