38 CFR Ch. I (7-1-08 Edition)

has no legal representative and has a spouse to whom benefits are being paid pursuant to Part 13 of this chapter, the spouse may authorize payment of insurance premiums through the deduction system. If an insured is incompetent and has no legal representative and an institutional award has been made in his or her behalf, the authorization may be executed by the Director of the field facility in which the insured is hospitalized or receiving domiciliary care, and in appropriate cases by the chief officers of State hospitals or other institutions to whom similar awards may have been approved.

(b) The monthly disability compensation, death compensation, dependency and indemnity compensation, retirement pay, disability pension, or death pension so due and payable must be equal to, or in excess of, the amount of the insurance premium figured on a monthly basis.

(c) The authorization may be cancelled by the insured at any time. Such cancellation will be effective on the first day of the month following the month in which it is received by the Department of Veterans Affairs.

(d) If the benefits payable to the insured are apportioned under the regulations of the Department of Veterans Affairs now in effect or hereafter issued, the deduction authorized by the insured shall be from that portion awarded to the insured under such regulations.

(e) The deduction authorized by a policyholder issued insurance under 38 U.S.C. 1925 will be automatically adjusted by the Department of Veterans Affairs to take cognizance of any premium adjustment made by the Secretary on such insurance provided the benefit payments due and payable to the insured are of an amount sufficient to pay the monthly insurance premium.

§8.5 Authorization for deduction of premiums from compensation, retirement pay, or pension.

Deductions from benefits for the payment of premiums shall be effective on the month the authorization for such deduction is received by the Department of Veterans Affairs or on any successive month specified by the insured. Such deduction shall be applied to the premium due in the succeeding calendar month and shall continue monthly so long as the benefit payments are due and payable to the insured and the amount is sufficient to pay the premium or until such authorization is revoked by the veteran or otherwise terminated. When premium deductions are authorized by the insured, the premium will be treated as paid for purposes of preventing lapse of the insurance, so long as there is due and payable to the insured a benefit amount sufficient to provide the premium payment. If authorization was executed by the Director of a VA hospital or domiciliary or chief officer of a State hospital or other institution to make deductions from an institutional award, the authorization will cease and terminate at the termination of the institutional award and the insurance shall lapse unless another authorization for deduction from monthly benefit payments is executed by the insured. The insured will be notified by letter directed to the last address of record of the termination of the authorization to deduct premiums, but failure to give such notice shall not prevent lapse.

REINSTATEMENT

§ 8.7 Reinstatement of National Service Life Insurance except insurance issued pursuant to section 1925 of title 38 U.S.C.

(a) Any policy which lapses and which is not surrendered for a cash value or for paid-up insurance, may be reinstated upon written application signed by the applicant, payment of all premiums in arrears, and evidence of good health as required under § 8.8 (a) or (b), whichever is applicable. If a policy is not reinstated within 6 months from the due date of the premium in default, interest must be paid in addition to premiums for all months in arrears from their respective due dates at the rate of 5 percent per annum, compounded annually. The payment or reinstatement of any indebtedness against a policy must be made upon application for reinstatement, and any excess of indebtedness and interest over the reserve of the policy must be paid at that time. A lapsed National Service Life Insurance policy which is in force under extended term insurance may be reinstated within 5 years from the date extended insurance would expire upon application and payment of all premiums in arrears with the required interest. In any case in which the extended insurance under an endowment policy provides protection to the end of the endowment period, the policy may be reinstated at any time before maturity upon application and payment of the premiums with the required interest. A policy on the level term premium plan may be reinstated within 5 years of the date of lapse upon written application signed by the insured, evidence of insurability and payment of two monthly premiums, one for the month of the lapse, the other for the month of reinstatement.

(b) *Reinstatement of insurance issued under section 1925, title 38 U.S.C.* Any policy of insurance issued under 38 U.S.C. 1925 which has been lapsed for not more than 5 years shall be rein-

stated under the same provisions of paragraph (a) of this section.

(c) *Effective date of reinstatements.* Reinstatement is effected on the date an acceptable application and the required monetary payments are delivered to the Department of Veterans Affairs. If application for reinstatement is submitted by mail, properly addressed to the Department of Veterans Affairs, the postmark date shall be the date of delivery. The effective date of reinstatement of the insurance shall be the last monthly premium due date prior to the delivery or postmark date of the application for reinstatement, except where reinstatement is effected on the due date of a premium, then in such case that date shall be the reinstatement date.

(d) *Inquiry during the grace period.* When the insured makes inquiry prior to the expiration of the grace period disclosing a clear intent to continue insurance protection, such as a request for information concerning premium rates or conversion privileges, etc., an additional reasonable period not exceeding 60 days may be granted for payment of premiums due; but the premiums in any such case must be paid during the lifetime of the insured.
