(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) *Small health, welfare or other social service providers, and recipients that operate other than educational programs or activities.* If a recipient with fewer than fifteen employees finds after consultation with a handicapped person seeking its services that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the qualified handicapped person to other providers whose services are accessible. Where referrals are necessary, transportation costs shall not exceed costs to and from recipients' programs or activities.
