no more than one project that determine that the purchase of hardware and/or software is not cost effective may contract out the electronic data transmission function to organizations that provide such services, including, but not limited to the following organizations: local management agents, local management associations and management agents with centralized facilities. Owners of multiple projects may centralize the electronic transmission function. However, owners that contract out or centralize the electronic transmission function are required to retain the ability to monitor the day-to-day operations of the project at the project site and be able to demonstrate that ability to the relevant HUD field office.
