Subj: UAR Allegations of US Support to Israel (U)

1. ~~(S)~~ UAR authorities have implied that they have information, perhaps through intercepts, that US personnel were talking with the Israelis, or were otherwise involved in some type of communication with the Israelis, leading the UAR to believe that we may have been providing military assistance to Israel.

2. ~~(S)~~ You are aware of UAR allegations that US carrier aircraft were involved in the Israeli attack and also of our prompt and vigorous denial. We have your assurance that Sixth Fleet aircraft were not within 200 miles of Egypt, Syria or Israel.

3. ~~(S)~~ Request that you verify ASAP that there have been no communications or other contact between aircraft or any other elements of the Sixth Fleet
