

George;

This should go to DIA, Fitch;  
you were going to call him saying we want a  
technical level meeting now, not a continuing  
analysis and reanalysis of everybody else's  
papers. This would provide a good up-to-date  
indication of the questions that occur to us;  
it supersedes the one he has.

*MD*

Approved for Release by NSA on 02-14-2006 pursuant  
to E.O. 12958, as amended
