**§ 530.307 Effect of an adjustment in scheduled rates of pay.**

(a) Except as provided in paragraphs (b) and (c) of this section, when an employee was receiving a special rate immediately before the effective date of an adjustment in scheduled rates of pay, the employee shall receive on that effective date the rate of basic pay for the numerical rank in the new special rate range established under § 530.304 of this part for the employee's grade or level that corresponds to the numerical rank of the special rate the employee was receiving immediately before that effective date. (b) If a special rate range is terminated under § 530.304 of this part, an employee who was receiving a special rate immediately before the effective date of an adjustment in scheduled rates of pay shall receive on that effective date the numerical rank in the new statutory pay schedule for the employee's grade or level that corresponds to the numerical rank of the special rate the employee was receiving immediately before that effective date. However, in the case of an employee who becomes eligible for pay retention because the employee's pay would otherwise be reduced under § 530.304 of this part, the employee shall receive a rate of basic pay determined under § 536.205(b) of this chapter.
