§591.211 Periodic review.

In accordance with Executive Order 10,000, OPM reviews from time to time, but at least annually, the places designated, the rates fixed, and the regulations in this subpart that are prescribed for payment of allowances and differentials. This review is to make warranted changes to ensure that payments under this subpart will continue only during the continuance of conditions justifying payment of allowances and differentials and will not in any instance exceed the amount justified. However, if program or methodology revisions would substantially reduce an established differential or allowance rate, then the rate of such additional compensation may be reduced gradually.
