

§ 630.1209 Health benefits.

An employee enrolled in a health benefits plan under the Federal Employees Health Benefits Program (established under chapter 89 of title 5, United States Code) who is placed in a leave without pay status as a result of entitlement to leave under § 630.1203(a) of this part may continue his or her health benefits enrollment while in the leave without pay status and arrange to pay the appropriate employee contributions into the Employees Health Benefits Fund (established under section 8909 of title 5, United States Code). The employee shall make such contributions consistent with 5 CFR 890.502.

§ 630.1210 Greater leave entitlements.

(a) An agency shall comply with any collective bargaining agreement or any agency employment benefit program or plan that provides greater family or medical leave entitlements to employees than those provided under this subpart. Nothing in this subpart prevents an agency from amending such policies, provided the policies comply with the requirements of this subpart.

(b) The entitlements established for employees under this subpart may not be diminished by any collective bargaining agreement or any employment benefit program or plan.

(c) An agency may adopt leave policies more generous than those provided in this subpart, except that such policies may not provide entitlement to paid time off in an amount greater than that otherwise authorized by law or provide sick leave in any situation in which sick leave would not normally be allowed by law or regulation.

(d) The entitlements under sections 6381 through 6387 of title 5, United States Code, and this subpart do not modify or affect any Federal law prohibiting discrimination. If the entitlements under sections 6381 through 6387 of title 5, United States Code, and this subpart conflict with any Federal law prohibiting discrimination, an agency must comply with whichever statute provides greater entitlements to employees.

§ 630.1211 Records and reports.

(a) So that OPM can evaluate the use of family and medical leave by Federal employees and provide the Congress and others with information about the use of this entitlement, each agency shall maintain records on employees who take leave under this subpart and submit to OPM such records and reports as OPM may require.

(b) At a minimum, each agency shall maintain the following information concerning each employee who takes leave under this subpart:

(1) The employee's rate of basic pay, as defined in 5 CFR 550.103;

(2) The occupational series for the employee's position;

(3) The number of hours of leave taken under § 630.1203(a), including any paid leave substituted for leave without pay under § 630.1205(b); and

(i) Under § 630.1203(a) (1), (2) or (3) of this part; or

(ii) Under § 630.1203(a)(4) of this part.

(c) When an employee transfers to a different agency, the losing agency shall provide the gaining agency with information on leave taken under § 630.1203(a) of this part by the employee during the 12 months prior to the date of transfer. The losing agency shall provide the following information:

(1) The beginning and ending dates of the employee's 12-month period, as determined under § 630.1203(c) of this part; and

(2) The number of hours of leave taken under § 630.1203(a) of the part during the employee's 12-month period, as determined under § 630.1203(c) of this part.
