

§ 831.1208 Termination of disability annuity because of recovery.

(a) Each annuitant receiving disability annuity from the Fund shall be examined under the direction of OPM at the end of 1 year from the date of disability retirement and annually thereafter until the annuitant becomes 60 years of age unless the disability is found by OPM to be permanent in character. OPM may order a medical or other examination at any time to determine the facts relative to the nature and degree of disability of the annuitant. Failure to submit to reexamination shall result in suspension of annuity.

(b) A disability annuitant may request medical reevaluation under the provisions of this section at any time. OPM will reevaluate the medical condition of disability annuitants age 60 or over only on their own request.

(c) Recovery based on medical documentation. When an examination or reevaluation shows that a disability annuitant has medically recovered from the disability, OPM will terminate the annuity effective on the first day of the month beginning 1 year after the date of the medical examination showing recovery.

(d) Recovery based on reemployment by the Federal Government. Reemployment by an agency at any time before age 60 is evidence of recovery if the reemployment is in a permanent position at the same or higher grade or pay level as the position from which the disability annuitant retired. The permanent position must be full-time unless the position the disability annuitant occupied immediately before retirement was less than full-time, in which case the permanent position must have a work schedule of no less time than that of the position from which the disability annuitant retired. In this instance, OPM needs no medical documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month following the month in which the recovery finding is made under this paragraph.

(e) Recovery based on a voluntary request. OPM will honor a written and signed statement of medical recovery voluntarily filed by a disability annu-

itant when the medical documentation on file does not demonstrate that the annuitant is mentally incompetent. OPM needs no other documentation to find the annuitant recovered. Disability annuity payments will terminate effective on the first day of the month beginning 1 year after the date of the statement. A disability annuitant can withdraw the statement only if the withdrawal is received by OPM before annuity payments terminate.

(f) When an agency reemploys a recovered disability annuitant at any grade or rate of pay within the 1-year period pending termination of the disability retirement benefit under paragraph (c), (d), or (e) of this section, OPM will terminate the annuity effective on the date of reemployment.

§ 831.1209 Termination of disability annuity because of restoration to earning capacity.

(a) *Restoration to earning capacity.* If a disability annuitant is under age 60 on December 31 of any calendar year and his or her income from wages or self-employment or both during that calendar year equal at least 80 percent of the current rate of basic pay of the position occupied immediately before retirement, the annuitant's earning capacity is considered to be restored. The disability annuity will terminate on the June 30 after the end of the calendar year in which earning capacity is restored. When an agency reemploys a restored disability annuitant at any grade or rate of pay within the 180-day waiting period pending termination of the disability retirement benefit, OPM will terminate the annuity effective on the date of reemployment.

(b) *Current rate of basic pay for the position occupied immediately before retirement.* (1) A disability annuitant's income for a calendar year is compared to the gross annual rate of basic pay in effect on December 31 of that year for the position occupied immediately before retirement. The income for most disability annuitants is based on the rate for the grade and step which reflects the total amount of basic pay (both the grade and step and any additional basic pay) in effect on the date of separation from the agency for disability retirement. Additional basic
