Subpart U—Deposits for Military Service

SOURCE: 48 FR 38788, Aug. 26, 1983, unless otherwise noted.

§ 831.2101 Purpose.

This subpart prescribes the procedures to be followed when an employee or Member (or survivor of an employee or Member) wishes to make a deposit for service, and when a former employee or Member who retires or separates from civilian service with title to annuity after September 8, 1982, but before October 1, 1983 (or survivor of such employee or Member), wishes to make a deposit for service.

§ 831.2102 Scope.

This subpart applies to all agencies with employees occupying positions subject to subchapter III of chapter 83 of title 5, United States Code, the United States Senate, and the United States House of Representatives.

§ 831.2103 Definitions.

Employee shall have the same meaning as in 5 U.S.C. 8331(1).

Estimated earnings is an estimate of basic pay for a period of military service, as determined by an authorized official of the Department of Defense, the Department of Transportation, the Department of Commerce, or the Department of Health and Human Services.

Fund is the Civil Service Retirement and Disability Fund.

Member shall have the same meaning as in 5 U.S.C. 8331(2).

OPM is the Office of Personnel Management.

Period of service is the total years, months, and days from date of initial entry on active duty (or January 1, 1957, if that is later) to date of final discharge for enlisted military personnel, and to date of final release from active duty for officers and reservists. "Period of service" includes consecutive periods of service where there is no break in service, but does not include any lost time.

Service is active honorable military service performed after December 31, 1956.

Sufficient evidence of basic pay for service exists when the employee, Member, or survivor eligible to make a deposit for service provides copies of all official military pay documents, as identified in Federal Personnel Manual instructions published by OPM, which show the exact basic pay he or she received for a full period of service. If an employee, Member, or survivor does not have sufficient evidence of basic pay, he or she shall obtain a statement of estimated earnings from the appropriate branch of the military service.

Survivor shall have the same meaning as in 5 U.S.C. 8331(10).

§ 831.2104 Eligibility to make deposit.

The following individuals may make deposit for any full period of service performed before the separation on which title to civil service annuity is based:

(a) An employee or Member currently occupying a position subject to subchapter III of chapter 83 of title 5, United States Code, and the survivor(s) of such an employee or Member who dies in service (including a person who was eligible to make a deposit under this paragraph but who failed to make the deposit before separation from service due to administrative error); and

(b) A former employee or Member who was separated with title to an annuity or who retired from a position subject to subchapter III of chapter 83 of title 5, United States Code, after September 8, 1982, and before October 1, 1983, and the survivor(s) of such an employee or Member.
