

§ 841.1007

a result of a request is deemed properly paid, unless the annuity payment itself is cancelled.

(c) OPM will provide the State with the information necessary to properly process a request for State income tax withholding.

(d) If the State is paid withholding which is contrary to the terms of the annuitant's request, the State is liable to the annuitant for the amount improperly withheld, and subject to account verification from OPM, agrees to pay that amount to the annuitant on demand.

(e) In the case of a dispute amount in any of the reports described and authorized by this agreement, the Associate Director will issue an accounting. If the State finds this accounting unacceptable, it may then and only then pursue such remedies as are otherwise available.

(f) If a State received an overpayment of monies properly belonging to the Fund, OPM will offset the overpayment from a future payment due the State. If there are no further payments due the State, OPM will inform the State in writing of the amount due. Within 60 days of the date of receipt of that communication that State will make payment of the amount due.

§ 841.1007 Agreement modification and termination.

This agreement may be modified or terminated in the following manner:

(a) Either party may suggest a modification of non-regulatory provisions of the agreement in writing to the other party. The other party must accept or reject the modification within 60 calendar days of the date of the suggestion.

(b) The agreement may be terminated by either party on 60 calendar days written notice.

(c) OPM may modify this agreement unilaterally through the rule making process described in sections 553, 1103, and 1105 of title 5, United States Code.

§ 841.1008 Authority to use the Federal Personnel Manual System.

OPM may provide such further rules, procedural instructions, and operational guidance as may be necessary and proper under this subpart and not

5 CFR Ch. I (1-1-01 Edition)

inconsistent therewith, in the Federal Personnel Manual System.
