

Appendix A. Humpback whales with severe injuries in southeastern Alaska.

0576-Probable vessel collision prop scar-seen fresh

0576 fresh injury August 1986

0576 healed injury May 2003

0576 fresh injury August 1986

0576 healed injury December 2003

0576 fresh injury August 1986

0576 healed injury December 2003

1879-Probable line entanglement

1879 line scar August 2004

1879 line scar August 2004

1207- Probable vessel collision prop scar-seen fresh

1207 fresh injury October 1995

1207 healed injury October 1996

1207 healed injury November 2000

1207 healed injury April 2002

1742- Probable vessel collision prop scar

1742 first sighting January 2003

1742 healing injury February 2003

1742 healed injury May 2004

1742 healed injury May 2004

0924-Possible line entanglement, unhealed injury

0924 first sighting August 1986

0924 unhealed injury November 2006 (J. Moran)

0954- Probable vessel collision prop scar

0954 healed injury August 1995

0954 healed injury December 2003

1071- Probable vessel collision prop scar

1071 healed injury December 1985

1071 healed injury December 1985

1071 healed injury December 1991

1071 healed injury August 2004

1043-Probable line entanglement

1043 healed injury October 1998

1043 healed injury August 2000

1043 healed injury August 2004

1073- Probable vessel collision prop scar

1073 healed injury November 1994

1073 healed injury November 1994

1073 healed injury April 2005

2018- Probable vessel collision prop scar

2018 healed injury December 2004

2018 healed injury December 2004

1638-Unknown source of injury

1638 before injury November 1998

1638 after injury August 2005

1638 after injury January 2006 Hawaii (S.Yin)

0910- Probable vessel collision prop scar

0910 healed injury June 2007

0910 healed injury June 2007

0166-Unknown source of injury

0166 unhealed tail stalk injury June 1990; year of injury unknown, possibly 1988

0166 unhealed tail stalk injury June 2004

0577-Unknown source of injury

0577 before injury August 1994

0577 injury slightly visible May 1997

0577 unhealed injury present September 2000

0577 unhealed injury June 2004

FS00-14(21)-Probable vessel collision prop scar

FS00-14(21) healed injury August 2000

1620-Unknown source of injury (line entanglement or prop scar?)

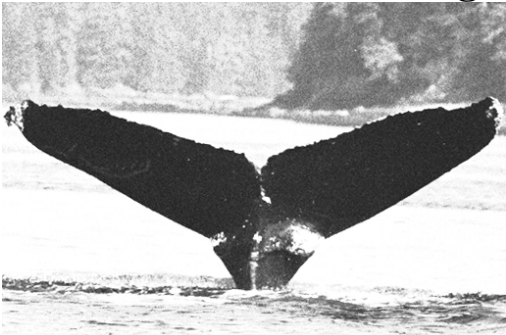

1620 healed injury October 2003

0998- Probable vessel collision prop scar

0998 healed injury September 1991

1502-Probable line entanglement scar

1502 healed injury August 1994
