Federal Reserve Board Email comments

Dear Email comments,

As I read about the AIG bonus travisty, I become more and more convinced that our legislators work mainly for the benefit of the corporations and rich and powerful individuals, rather than the bulk of the people that elected them to serve us. Now is your chance to take some action to help reverse the low opinion with which you are held as a group.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. Frederick Meloy
