Federal Reserve Board Email comments

Dear Email comments,

We need to make sure that the banks are fair in their dealings with the general public. Their fees are outrageous...we keep bailing them out and all they do is kick us in the teeth in return and walk off with more and more profits. Thanks for your assistance on this important issue.

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Ms. Carina Duval
