Dear Email comments,

I hate overdraft protection, my bank royally stuck it to me. I have associated bank they charge 35 dollars for every overdraft on purchesss I made with my debit card, come on it should"nt be allowed to go through!! the atm doen"t tell you things are pending! And the card should not work if i am broke other wise i would"nt be eating 45 dollar burger king!! it's criminal what they do!! And then we bail them out!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mr. nate weber
