

From: Craig Ziegler
Subject: Electronic Fund Transfers

Comments:

Please fix the current overdraft banking fee, it is completely unfair and banks, as usual, are taking advantage of it and us. We should be given a choice to opt in and / or out and there should be reasonable, proportionate fee limits. For instance I shouldn't be charged \$35 by BoA for a \$10 overdraft. Thanks for your consideration, I know you're very busy right now.
