Dear Email comments,

You better hear us because we are unemployed, we are not able to support your grand lifestyles any longer. So if you want us to survive you better help us out any way you can so in the unlikely event we ever have jobs here in this country again, open to citizens of this country, we can go back to work and pay hefty taxes on EVERYTHING!

Please allow me the chance to opt-in to overdraft services. This is the only way that I will truly feel protected.

Sincerely,

Mrs. Sandra Mathes
