I do not think the banks and credit unions should be making decisions about consumers funds without their knowledge. I do not want to be signed up for something that I did not authorize the bank/credit union to do, especially since this practice only benefits the banks/credit unions.

ENOUGH IS ENOUGH - WE ARE PAYING MORE TAXES AND FEES THAN EVER. NO WONDER FAMILIES ARE IN FINANCIAL RUIN - LARGE CORPORATIONS ARE WORKING DAY AND NIGHT TO KEEP PEOPLE INDEBTED TO THEM!!!
