(b) The locations and hours of operation (expressed in local time) of NARA's research rooms are shown in part 1253 of this chapter. Contact our facilities directly for information about their particular holdings. A facility or unit director may authorize that documents be made available at times other than the times specified in part 1253.

(c) Before planning a visit, contact the facility holding materials of potential interest to determine whether the documents are available, whether there are enough documents to warrant a visit, or whether ordering copies would be more practical.

(d) In addition to the procedures in this part, researchers who wish to use archival materials that contain national security classified information must follow procedures in part 1256 of this chapter.

**§ 1254.6 Do I need a researcher identification card to use archival materials at a NARA facility?**

(a) Yes, you need a researcher identification card to use original archival materials at a NARA facility. See §§ 1254.8 and 1254.10 for information on obtaining a card.

(b) You also need a researcher identification card if you wish to use only microfilm copies of documents in a NARA facility where the microfilm research room is not separate from textual research rooms.

(c) If you are using only microfilm copies of records in the National Archives Building and some regional archives where the microfilm research room is separate from textual research rooms, you do not need an identification card but you must register as described in § 1254.22.

**§ 1254.8 What information do I need to provide when applying for a researcher identification card?**

(a) You must apply in person and show identification containing your picture or physical description, such as a driver's license or school identification card. You also must provide proof of your current address, such as a bank statement, utility bill, or department of motor vehicles change of address card, if the address on your driver's license or other identification is not current. Students who consider the home of their parents as their permanent address, but who do not live there during the academic session, must provide their current student address. If you travel long distance to conduct research in original archival materials at a NARA facility, we may ask you how we can contact you locally. In special circumstances, the director of a facility or unit has the authority to grant exceptions to these requirements.

(b) If you apply for access to large quantities of documents or to documents that are especially fragile or valuable, we may require you to furnish additional information about reasons why you require access. Some materials are too fragile or valuable for direct handling or viewing. Preservation concerns (see §§ 1254.20(b) and 1254.36(e)) and availability of resources (see § 1254.20(c)) may limit our ability to accommodate certain requests.

(c) If you are younger than 14, you must follow the procedures in § 1254.24 to seek permission to conduct research.

(d) We do not issue you a researcher identification card if the appropriate supervisor or director of the NARA facility determines that the documents that you wish to use are not in the legal custody of NARA and you do not present appropriate written authorization from the legal title holder to examine the documents.
