§907.1 Policy.

The Pennsylvania Avenue Development Corporation's policy is to:

(a) Use all practical means, consistent with the Corporation's statutory authority, available resources, and national policy, to protect and enhance the quality of the human environment;

(b) Ensure that environmental factors and concerns are given appropriate consideration in decisions and actions by the Corporation;

(c) Use systematic and timely approaches which will ensure the integrated use of the natural and social sciences and environmental design arts in planning and decision making which may have an impact on the human environment;

(d) Develop and utilize ecological and other environmental information in the planning and development of projects implementing the Plan;

(e) Invite the cooperation and encourage the participation, where appropriate, of Federal, District of Columbia, and regional authorities and the public in Corporation planning and de-

cision-making processes, which affect the quality of the human environment; and

(f) Minimize any possible adverse effects of Corporation decisions and actions upon the quality of the human environment.

§907.2 Purpose.

These regulations are prepared to supplement Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act of 1969, as amended, and describe how the Pennsylvania Avenue Development Corporation intends to consider environmental factors and concerns in the Corporation's decision making process.

§907.3 Definitions.

(a) *CEQ Regulations* means the regulations for implementing the procedural provisions of the National Environmental Policy Act of 1969 as promulgated by the Council on Environmental Quality, Executive Office of the President, appearing at 40 CFR parts 1500-1509 (43 FR 55978-56007) and to which this part is a supplement.
