§ 1275.64 **Reproduction of tape recordings of Presidential conversations.**

(a) To ensure the preservation of original tape recordings of conversations which were recorded or caused to be recorded by any officer or employee of the Federal Government and which:

(1) Involve former President Richard M. Nixon or other individuals who, at the time of the conversation, were employed by the Federal Government; and

(2) Were recorded in the White House or in the office of the President in the Executive Office Buildings located in Washington, DC; Camp David, MD; Key Biscayne, FL; or San Clemente, CA; and

(3) Were recorded during the period beginning January 20, 1969, and ending August 9, 1974, the Archivist will produce duplicate copies of such tape recordings in his custody for public and official reference use. The original tape recordings shall not be available for public access.

(b) Since the original tape recordings may contain information which is subject to restriction in accordance with § 1275.50 or § 1275.52, the archivists shall review the tapes and delete restricted portions from copies for public and official reference use.

(c) Researchers may listen to reference copies of the tape recordings described in paragraph (a) of this section in a National Archives building in the Washington, DC area and at other reference locations established by the Archivist in accordance with § 1275.62.

(d) The reproduction for members of the public of the reference copies of the available tape recordings described in paragraph (a) of this section will be permitted as follows: Copies of tape recordings will be made available following the public release of the tape segments contemplated in § 1275.42(a). Effective as of April 20, 2001, NARA will allow members of the public to obtain copies of all tapes that have been made available to the public by that date and that subsequently become available as

they are released. Such copying will be controlled by NARA or its designated contractor. The fees for the reproduction of the tape recordings under this section shall be those prescribed in the schedule set forth in part 1258 of this chapter.

(e) The Archivist shall produce and maintain a master preservation copy of the original tape recordings for preservation purposes. The Archivist shall ensure that the master preservation copy, like the portions of the original tape recordings retained by the Archivist, does not contain those segments of the tape recordings which have been identified as private or personal and which have been transferred to the Nixon estate in accordance with § 1275.48.
