Subpart D [Reserved]

Subpart E—Special Visitor Services

§ 13.300 Applicability and scope.

(a) Except as otherwise provided for in this section, the regulations contained in this part apply to visitor services provided within all national park areas in Alaska.

(b) The rights granted by this subpart to historical operators, preferred operators, and Cook Inlet Region, Incorporated are not exclusive. The Director may authorize other persons to provide visitor services on park lands. Nothing in this subpart shall require the Director to issue a visitor services authorization if not otherwise mandated by statute to do so. Nothing in this subpart shall authorize the Director to issue a visitor services authorization to

a person who is not capable of carrying out its terms and conditions in a satisfactory manner.

(c) This subpart does not apply to the guiding of sport hunting or sport fishing.

§ 13.305 Definitions.

The following definitions apply to this subpart:

Best offer means a responsive offer that best meets, as determined by the Director, the selection criteria contained in a competitive solicitation for a visitor services authorization.

Controlling interest means, in the case of a corporation, an interest, beneficial or otherwise, of sufficient outstanding voting securities or capital of the business so as to permit the exercise of managerial authority over the actions and operations of the corporation or election of a majority of the board of directors of the corporation.

Controlling interest in the case of a partnership, limited partnership, joint venture, or individual entrepreneurship, means a beneficial ownership of or interest in the entity or its capital so as to permit the exercise of managerial authority over the actions and operations of the entity. In other circumstances, *controlling interest* means any arrangement under which a third party has the ability to exercise management authority over the actions or operations of the business.

Director means the Director of the National Park Service or an authorized representative.

Historical operator, except as otherwise may be specified by a statute other than ANILCA, means the holder of a valid written authorization from the Director to provide visitor services within a park area that:

(1) On or before January 1, 1979, was lawfully engaged in adequately providing such visitor services in the applicable park area;

(2) Has continued, as further defined in § 13.310, to lawfully provide that visitor service since January 1, 1979, without a change in controlling interest; and

(3) Is otherwise determined by the Director to have a right to continue to provide such services or similar services pursuant to § 13.310.

National Park Service, Interior

§ 13.310

Local area means an area in Alaska within 100 miles of the location within the park area where any of the applicable visitor services is authorized to be provided.

Local resident means:

For individuals. Those individuals who have lived within the local area for 12 consecutive months before issuance of a solicitation of offers for a visitor services authorization for a park area and who maintain their primary, permanent residence and business within the local area and whenever absent from this primary, permanent residence, have the intention of returning to it. Factors demonstrating the location of an individual's primary, permanent residence and business may include, but are not limited to, the permanent address indicated on licenses issued by the State of Alaska, tax returns and voter registration.

For corporations. A corporation in which the controlling interest is held by an individual or individuals who qualify as *local resident(s)* within the meaning of this subpart. For non-profit corporations a majority of the board members and a majority of the officers must qualify individually as local residents.

Native Corporation means the same as defined in section 102(6) of ANILCA.

Preferred operator means a Native Corporation that is determined under § 13.325 to be "most directly affected" by the establishment or expansion of a park area by ANILCA, or a local resident as defined in this subpart.

Responsive offer is one that is timely received and meets the terms and conditions of a solicitation for a visitor services authorization.

Visitor services authorization is a written authorization from the Director to provide visitor services in a park area. Such authorization may be in the form of a concession permit, concession contract, or other document issued by the Director under National Park Service policies and procedures.

§ 13.310 Historical operators.

(a) A historical operator will have a right to continue to provide visitor services in a park area under appropriate terms and conditions contained in a visitor services authorization

issued by the Director as long as such services are determined by the Director to be consistent with the purposes for which the park area was established. A historical operator may not operate without such an authorization. The authorization will be for a fixed term. Failure to comply with the terms and conditions of the authorization will result in cancellation of the authorization and consequent loss of historical operator rights under this subpart.

(b) Nothing in this subpart will prohibit the Director from permitting persons in addition to historical operators to provide visitor services in park areas at the Director's discretion as long as historical operators are permitted to conduct a scope and level of visitor services equal to those provided before January 1, 1979, under terms and conditions consistent with this subpart. A historical operator may be permitted by the Director under separate authority to increase the scope or level of visitor services provided prior to January 1, 1979, but no historical operating rights will be obtained in such increase.

(c) If a historical operator applies for a visitor services authorization in the form of a joint venture, the application will not be considered as validly made unless the historical operator demonstrates, to the satisfaction of the Director, that it has the controlling interest in the joint venture.

(d) A historical operator may apply to the Director for an authorization or amended authorization to provide visitor services similar to those it provided before January 1, 1979. The Director will grant the request if such visitor services are determined by the Director to be:

(1) Consistent with the protection of park resources and the purposes for which the park area was established;

(2) Similar in kind and scope to the visitor services provided by the historical operator before January 1, 1979; and

(3) Consistent with the legal rights of any other person.

(e) When a historical operator's visitor services authorization expires, and
